

# WRITTEN COMMENT CARD - PORTLAND HARBOR SUPERFUND SITE

TO: EPA Region 10, Portland City Council, and congressional representatives

Comments: (use back for additional comments)

The Lower Willamette Valley has been a  
foci of human activity for literally 10's of  
millenia. How will the EPA handle the  
very likely scenario that construction  
activities will impact cultural resources (i.e.  
archaeological sites, traditional cultural properties,  
etc.)?
